DJ Serafin will perform at the QStride After-Party at the Hyde Bellagio nightclub in Las Vegas on January 30, 2013. Tickets are still available for this performance. DJ Serafin is a well-known and respected member of the Table Manners lineup of rising stars and established performers in the international DJ community. His particular mix of hip-hop, house, pop and rock has been wowing audiences throughout the U.S. and has established DJ Serafin as an elite force in the musical world. This is a not-to-be-missed chance to see the master at work. Tickets are still available for this event; for more information, visit QStride or HYDE Bellagio.

QStride is a natural sponsor for this exclusive event. As an innovator in the field of business intelligence, data warehousing and mobile analytics, QStride offers in-depth services for companies across the country and can manage cloud implementations and data analytics processes for mid-market and enterprise-class businesses. QStride's unique approach to The Business intelligence field

allows the firm to provide a comprehensive range of integrated mobile applications, data analytics processes and implementation services that suit the way companies do business today.

Featuring some of the most sought-after performers in the business, Table Manners offers an impressive roster of DJs and musical acts for public and private functions. DJ Serafin is just one of numerous performers, each with his or her own unique style and flair. Table Manners is fast becoming the leading force in DJ Entertainment throughout the country, and DJ Serafin's appearance at the QStride After-Party will further cement that positive reputation for the well-known entertainment management firm.

QStride offers exceptional business intelligence and cloud management services that can revolutionize the way mid-market and enterprise-class firms do business. From mobile monitoring applications to full-scale cloud computing implementations, QStride can provide cutting-edge technological support and services for the modern marketplace.
